50X1-HUM

1. About 1 km. northwest of Szabadszállás (N 55) a barracks complex, consisting of six 3-story buildings, was under construction during November 1951. The approximate dimensions of the individual barracks were 80 m. x 25 m.
2. East of the barracks and east of the road leading to Budapest, preliminary work has started on what is believed to be a major airfield.
3. It is not known whether the barracks are a separate installation or are an integral part of the airfield area.

Enclosure: Sketch-map of Szabadszállás area.
